

P2 LUXURY FLOORING

Industry leaders in luxury flooring products

+ P2 LUXURY FLOORING'S STORY

P2 Luxury Flooring is a company that was conceived through the idea of taking the fuss out of creating custom flooring solutions. We offer a full turn-key experience based around manufacturing the highest quality flooring products, and also providing all the necessary services in order to meet our clientele's needs. Our relentless pursuit of advancement and perfection is seen not only in our unmatched luxury flooring products but also in the custom-tailored services our team dedicates itself to providing for each and every customer. From concept to completion, and then final delivery of products, P2 Luxury Flooring strives to create a purely sensational experience for the most deserving clientele.

+ P2 LUXURY FLOORING'S VISION

P2 Luxury Flooring's vision is simple: create then provide our clients with the most advanced and innovative luxury flooring products on the market along with identifying and providing any additional services dependent upon on the client's needs. Pushing the boundaries of manufacturing, technology and logistics, P2 Luxury Flooring will not cease to lead the industry with our premium manufacturing processes and bespoke client service capabilities.

+ P2 LUXURY FLOORING'S SERVICES

P2 Luxury Flooring prides itself in working hand in hand with our clientele in order to create a custom tailored full turnkey flooring solution that meets any project goals or needs. There is no task that P2 Luxury Flooring cannot take on. We are a complete custom solution:

Some examples of custom solutions we can provide:

- Custom film colors
- Color matching existing colors
- Custom thickness specs
- Embossing techniques
- Custom boxing/packaging
- Special shipping and logistics solutions

From creating custom product specifications all the way to tailoring special logistic needs, P2 Luxury flooring has the capability to do it all. We work side by side on a day to day basis with our factories, designers, architects, industry professionals, freight companies and even the ports themselves, all to ensure that we are offering our clients the best possible products and services they need.

We at P2 Luxury Flooring hope that this book will help eliminate some of that fuss that comes with designing your perfect flooring solution for your next or current project. Bespoke solutions are what we do. Our clientele expect nothing less than perfection from P2 Luxury Flooring, and we gladly welcome and exceed these expectations.
