

STEP 02

SELECT OR PROVIDE YOUR DESIRED COLOR

INFINITE COLOR OPTIONS AVAILABLE

Now that you've made up your minds and have decided on a product offering to go with, now comes the fun and creative part. Whatever your ideal needs may be, P2 Luxury Flooring works hand in hand with you in order to meet every aspect of your project's visual goals.

Whether you choose a LVT, WPC or an SPC flooring solution, the color options are truly infinite. Because of this, P2 Luxury Flooring has developed the perfect set of solutions to what can seem like an intimidating task.

These solutions are as follows:

- P2 Luxury Flooring has the capability to match the color of a current/existing product.
- P2 Luxury Flooring can provide a vast several hundred-page color sample booklet for you to analyze and select from.
- or lastly you can choose from our professionally selected top 20 colors provided below.

Bottom line is if you can dream or imagine it, P2 Luxury Flooring is here to provide you with a solution that not only meets but exceeds your expectations.

NOTICE

The sample film colors in the matrix above have been hand selected by P2 Luxury Flooring and are some of our industry professionals favorite picks. Because the images provided are smaller scale, we ask that you please reference your P2 Luxury Flooring "Color Guide" folder for the full size film color sample experience, or contact your sales-person so they may provide you with a digital full page PDF scan of the film you are interested in.
